Travel

Travel

Our budget allows us to generally fund travel within Europe. We want to avoid flying and support more sustainable forms of travel – like train, bike or boat. Please keep this in mind when applying and planning your trip to Linz.

If you are able to finance your travel and/or accommodation yourself or through a third party (university, scholarship, etc.), we will be happy to provide you with an invitation letter.

Hosting policy

We organize accommodation in simple hotels, but also through community hosting, which allows participant also to interact and get to know nice people around Linz. Please let us know if you are up for this or if you are based in Linz, let us know if you have a spare room.

General accessibility

We will collect participant needs and provide support in terms of access. Festival locations are generally accessible also via wheelchair.

Interpretation it International or Austrian Sign Language can be provided.

AMRO programme is generally held in English. Spontaneous translations and summaries of the rest of the festival programme can be provided.
